

The Giver Research

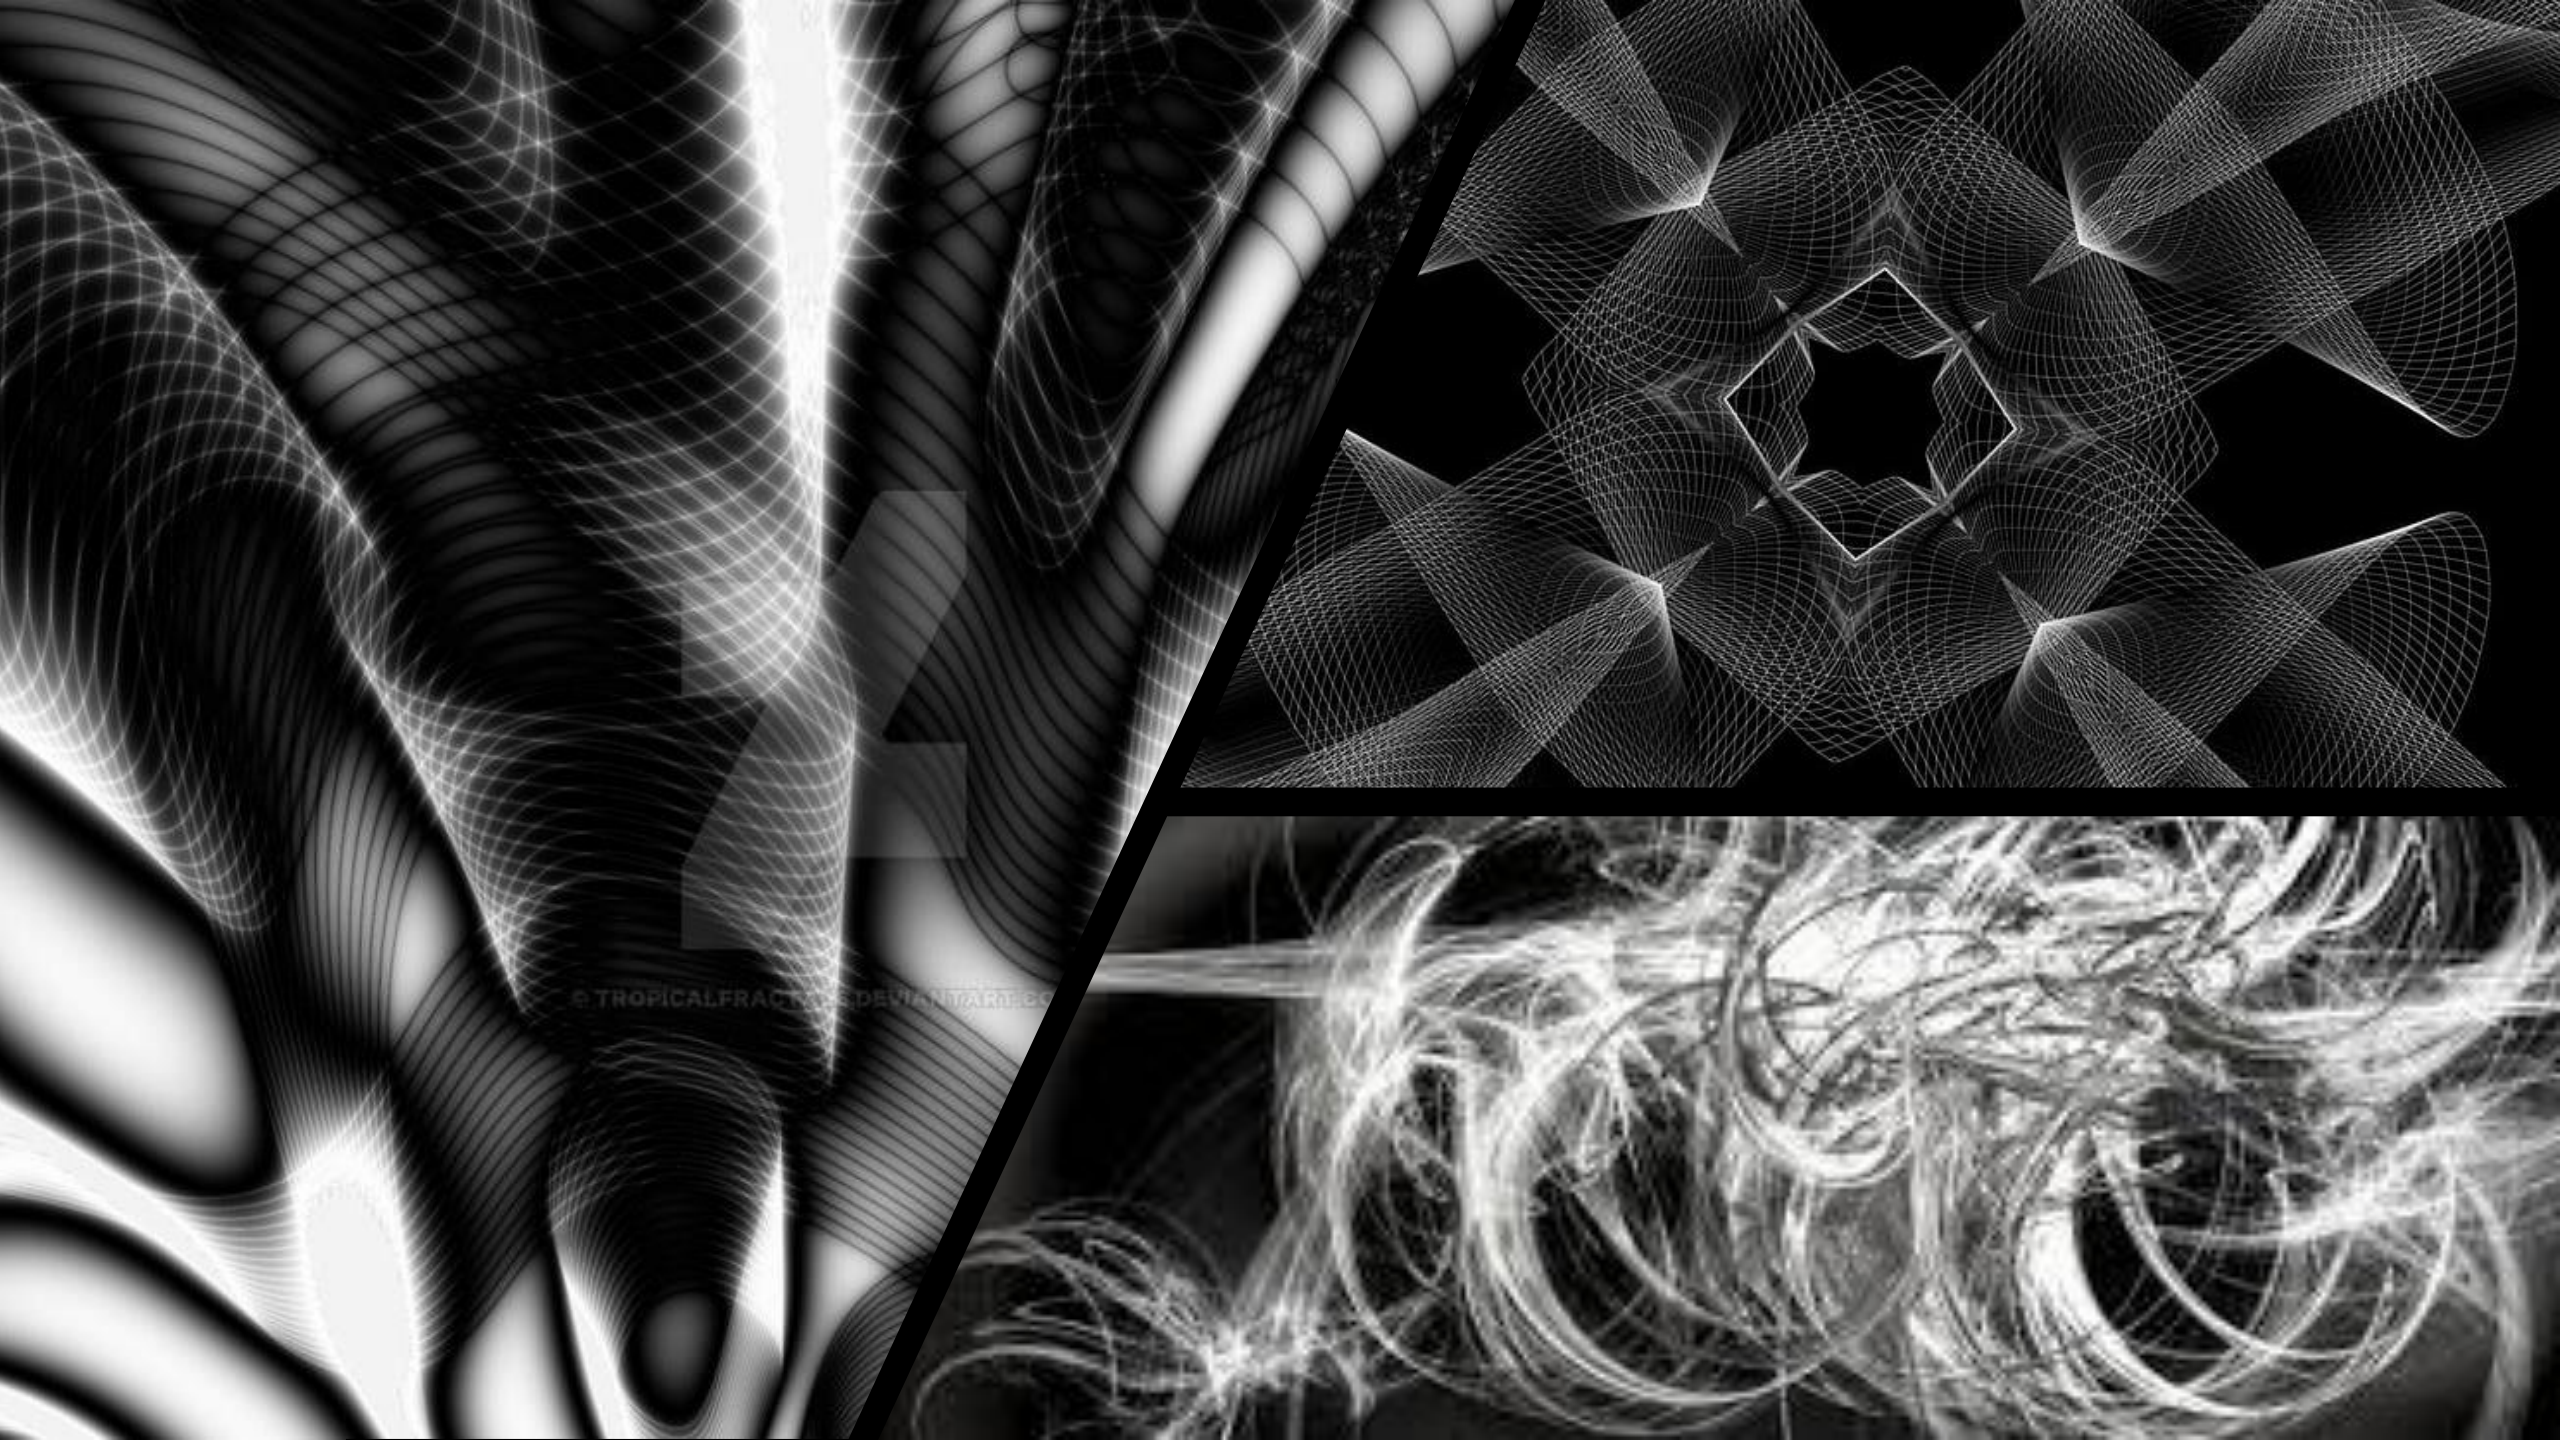

Lauren Thomas

Slides 1-3

- ◆ The first 3 slides are how the world feels to me. The world feels very cold and dystopian, but not Hunger Games dystopian. I believe that this is how the world would feel to the audience.

Slides 4-6

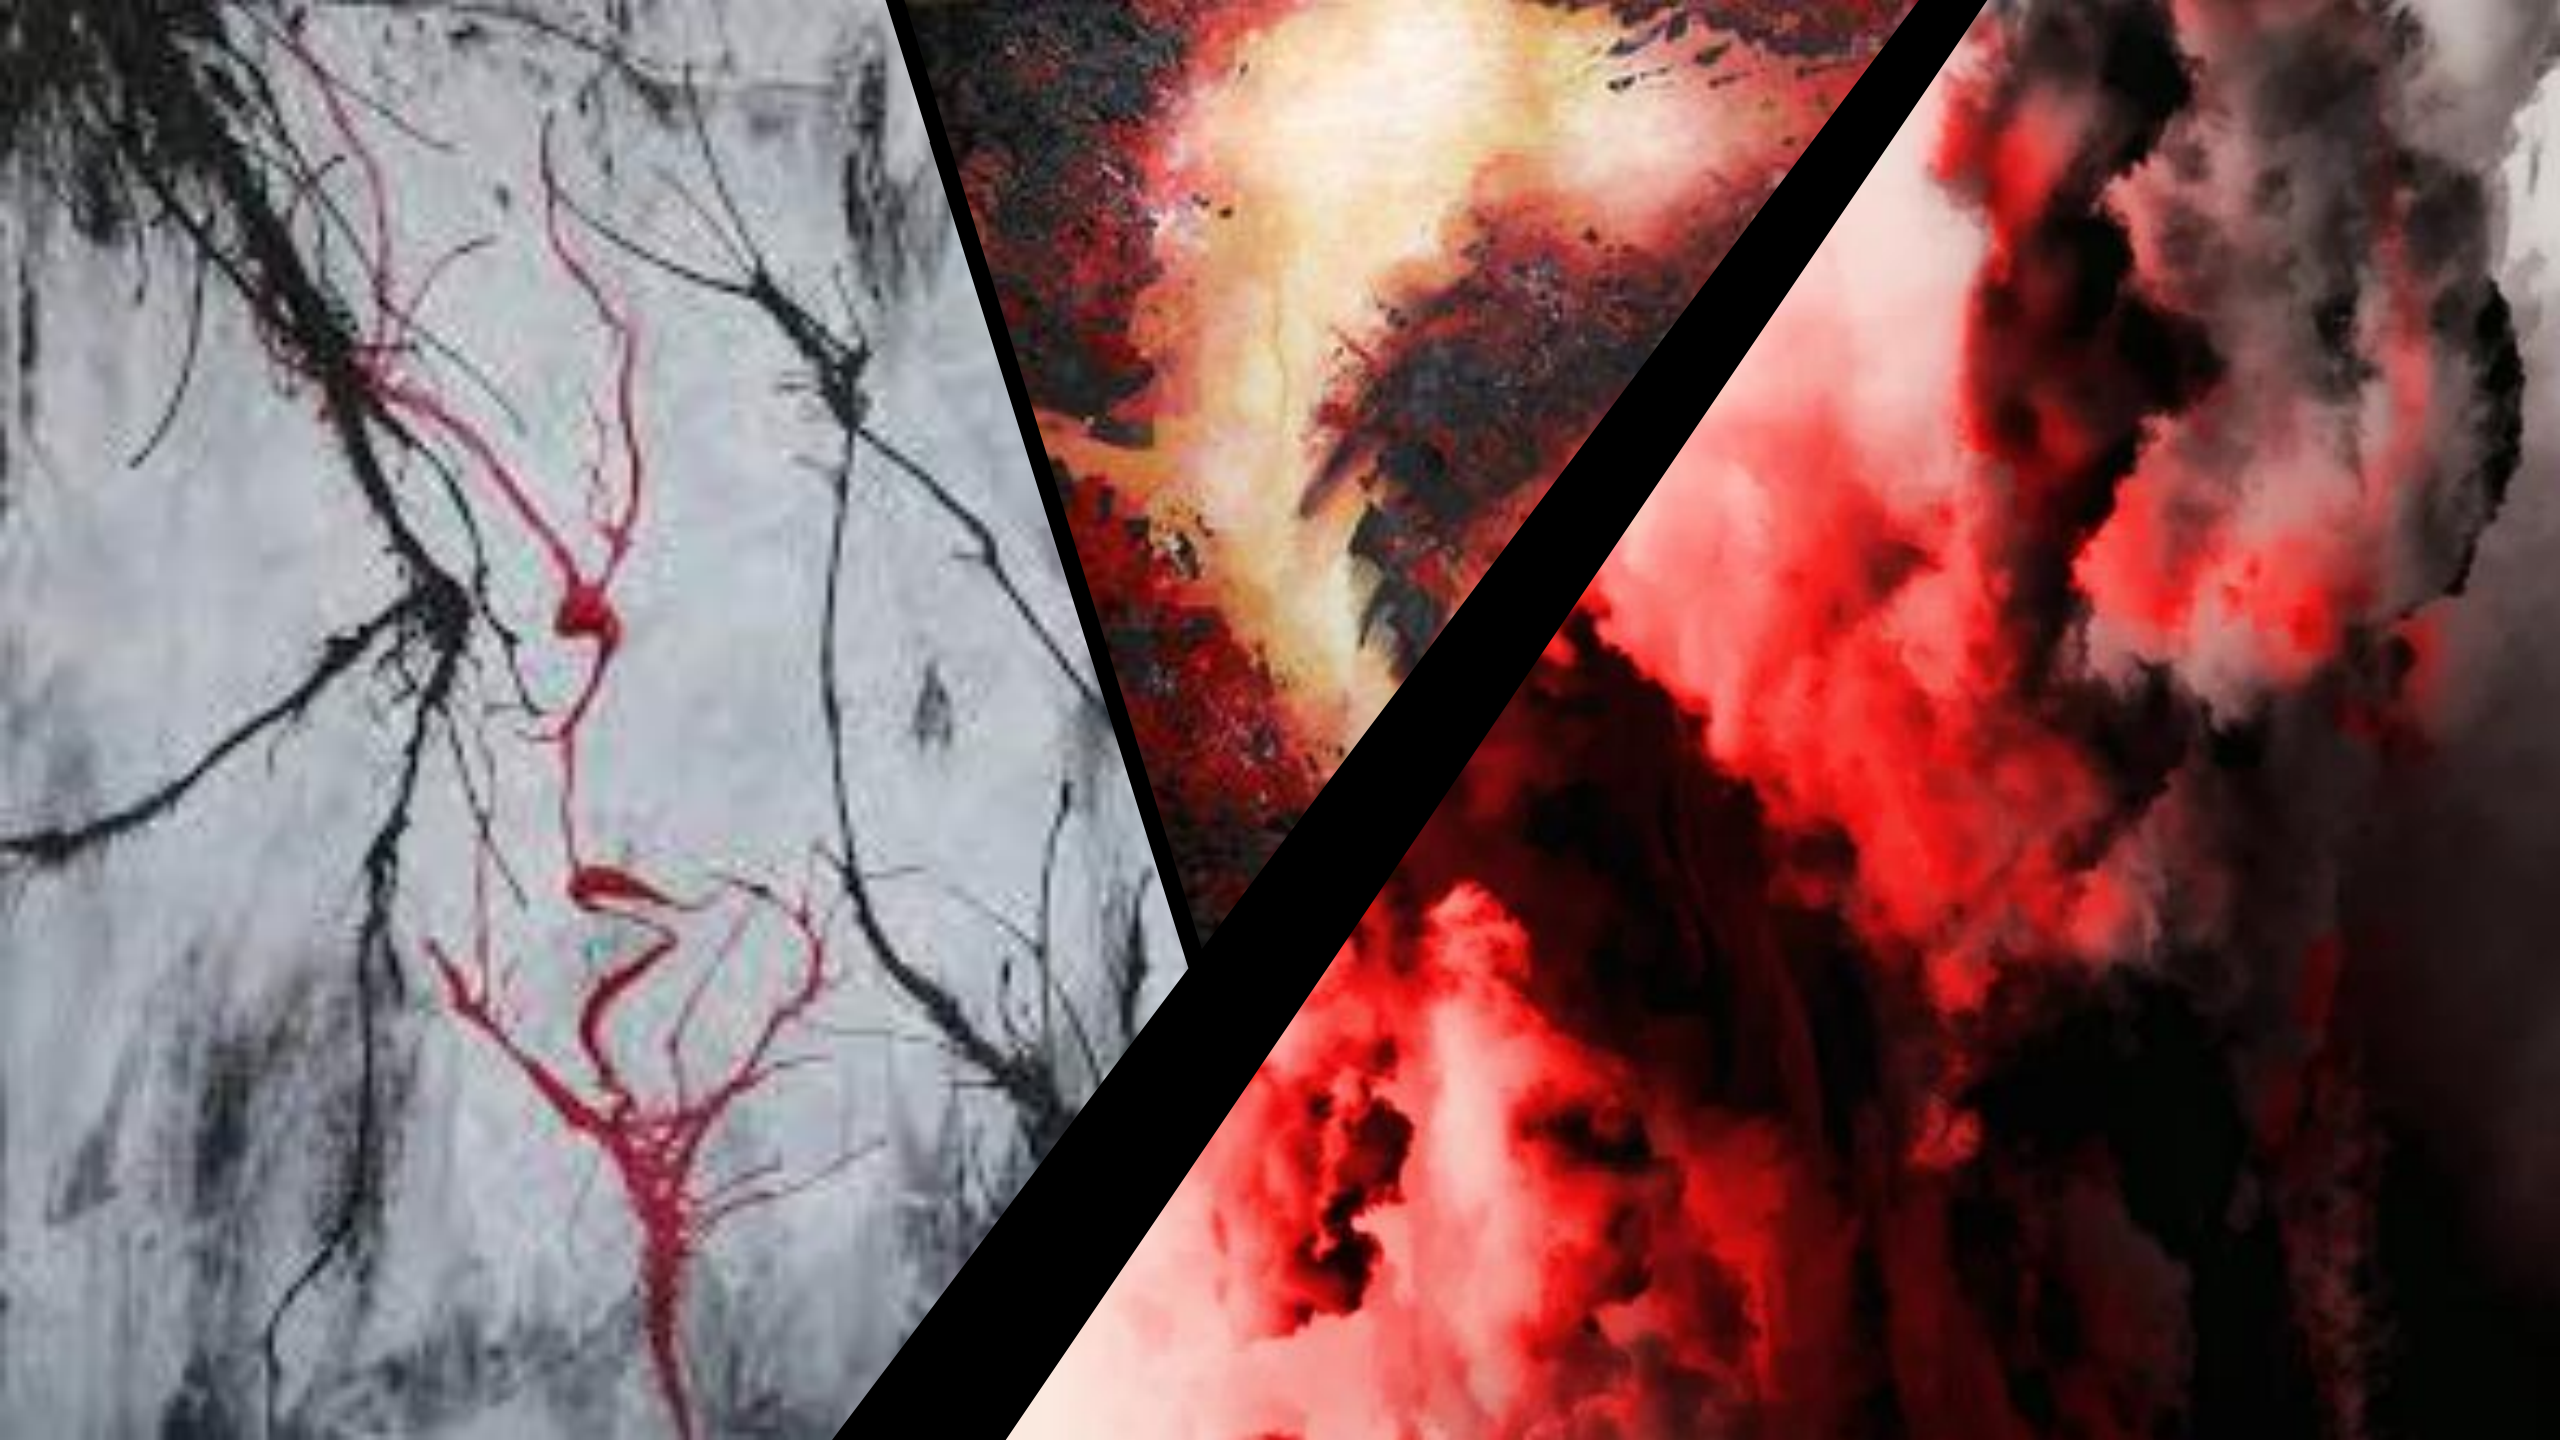

- ◇ This is when Jonas starts receiving memories. I think that this would be a very overwhelming experience because there is so much that he did not know existed.

Slides 7&8

- ◇ Jonas' world is now blurred and he is discovering what he thought was right, might not be. His view of his world is becoming more blurred. The second slide represents more of his childhood fading from him.
